

## SWN Women in Construction Spotlight

The Skanska Women's Network is proud to celebrate Women in Construction Week by highlighting a number of women who are an essential part of our project teams. We also want to recognize ALL the women of Skanska who are vital to the success of our company. We thank you all for your dedication and valuable contributions!

### Nakeya Livermon

Journeyman Welder— Skanska USA Civil SE

- Is enthusiastic about her internal drive to complete her short term and long term professional goals.
- Is passionate about her career, dreams, hobbies, and being an all around inspiration to others.
- Is inspired by her own personal journey and her ability to conquer anything she sets her mind to. She is also inspired by her Father who she is close to and her steadfast relationship with God.

### Her message to other women

There may be times that you want to give up because the road seems far away, but trust me, it's only a test of your faith. Just stay consistent, believe, keep going, and you will achieve!
