Subject: Meeting re: Luis

Hi Brian,

I would like to meet with you this week to discuss the sexual harassment from Luis I have experienced for the 15 months I have been at Coach. I reported it for the first time 13 months ago. I am aware this situation is being addressed with HR. However, given Luis's stature with the company and the prolonged nature of the situation, I would appreciate the opportunity to share my experience with you directly. Please let me know what times could work for you this week.

Thank you,
