When I started there. There has been many incidents. For example [REDACTED] the cashier she was passing by here and touch her back bc it was a little space but he told her excuse me sweetheart. She had said she felt very uncomfortable when he did that. Well she quit right after that. I did inform Chris about it and he said well she isn't here anymore and swept it under the rug. Then Rich ask [REDACTED] not sure if he still works there but Rich asked him has he ever

This is not the first time Chris has talked to Rich about his mouth to these young folks plenty of times. Well when he started to say sexual conversations to [REDACTED] and some of the girls I have said something to Chris. Well there is one incident that he ask a young girl has anyone popped her cherry. I even told Rich myself that was very sick and he needs to be careful what and he says around these young girls. Well that is when I noticed that Rich and Chris was trying to get me out of there

I have told these people to write you a email and let you know what's going on. When I was working for your company. The girls did tell me they are worried about the consequences if they say there name. I said Andrew will understand. I would hope so of course. Anyways now I am not working there I still here he is making young girls feels uncomfortable.

uncomfortable.

So I get CHARGING PARTY to watch my kids once and awhile and he is saying things to her that he should not be saying to a 17 year old. Like is she still a virgin and telling her whoever comes between her legs is lucky etc. So it's still not stopping still. I have a 16 year old wanted to work as a cashier Andrew for you I straight told her no. I know what kind of things go on behind the scenes. Please ask

FIVE FEMALE NAMES REDACTED

any young girls that work there. I am not lying and I would not want to get anyone in trouble but it has to stop Andrew.
